BBC Monitoring Service

To: Assistant Director, Office of Collection
and Dissemination
From: Acting Chief, Interdepartmental Coordinating
and Planning Staff
Subject: Future Relations between FBIS and BBC Monitoring Service and Re-
quest from British Radio Equipment Manufacturers' Association.

September 30, 1946

1. IGAPS concurs in the comments of the Office of Collection and Dissemination on the above subject.

2. In view of the broad policy implications, IGAPS believes that the proposed extension of FBIS activities in Europe should obtain prior IAB concurrence.

3. Accordingly, it is requested that the detailed data and reports recommended by Colonel Sands be obtained and transmitted to IGAPS to form the basis of an IAB paper.
